<b>Part 1: The Economic Consequences of Immigration</b>	<b>1</b>
1    Trade Theory, Distribution of Income and Immigration	3
1.1    Introduction . . . . .	3
1.2    Output Composition Effects and Immigration . . . . .	4
1.3    Changes in Relative Prices and Immigration . . . . .	6
1.4    Sector-Specific Factors and Income Distribution . . . . .	8
1.5    Immigration in the Presence of Distortions . . . . .	9
1.6    Conclusions . . . . .	10
References . . . . .	11
2    The Effects of Immigration in a Distorted Two-Sector Economy	13
2.1    Introduction . . . . .	13
2.2    The Model . . . . .	14

2.3	The Determinants of Immigration . . . . .	18
2.4	The Effects of Immigration . . . . .	20
2.5	Conclusions . . . . .	23
	References . . . . .	29
3	The Short-Run Economic Effects of Immigration: Some General Equilibrium Simulations	31
3.1	Introduction . . . . .	31
3.2	The Theoretical Model . . . . .	32
3.3	The Short-Run Impact of Immigration . . . . .	36
3.4	Some Exploratory General Equilibrium Simulations . . . . .	40
3.5	Conclusions . . . . .	43
	References . . . . .	44
4	The Labor Market Effects of Immigration in the United States and Europe: Substitution vs. Complementarity	47
4.1	Introduction . . . . .	47
4.2	Review of the Literature . . . . .	49
4.3	The Theoretical Model . . . . .	51
4.4	The Empirical Framework . . . . .	54
4.5	Conclusions . . . . .	67
	References . . . . .	71
<b>Part 2:</b>	<b>The Impact of International Emigration: The Effects of the Brain Drain</b>	<b>75</b>
5	International Migration, Non-Traded Goods and Economic Welfare in the Source Country	77
5.1	Introduction . . . . .	77
5.2	The Welfare Impact of Emigration in the Source Country . . . . .	79
5.3	Conclusions . . . . .	82

5.4	Appendix . . . . .	83
	References . . . . .	87
6	International Migration, Remittances and Economic Welfare in the Source Country . . . . .	89
6.1	Introduction . . . . .	89
6.2	The Basic Model . . . . .	91
6.3	The Welfare Impact of Emigration in the Source Country . . . . .	98
6.4	Conclusions . . . . .	103
6.5	Appendix . . . . .	104
	References . . . . .	109
7	International Migration, Non-Traded Goods and Economic Welfare in a Two-Class Economy: A Reply . . . . .	113
7.1	Introduction . . . . .	113
7.2	Modeling a Two-Class Economy . . . . .	114
7.3	International Migration in a Two-Class Economy . . . . .	118
	References . . . . .	119
8	The Impact of International Migration on Real Wages: Another Look . . . . .	121
8.1	Introduction . . . . .	121
8.2	Emigration and Real Wages in a Two-Class Economy . . . . .	122
8.3	Increasing Returns, Emigration and Real Wages . . . . .	125
8.4	Concluding Remarks . . . . .	128
	References . . . . .	129
9	The Service Sector, Monopolistic Competition and the Impact of Emigration . . . . .	131
9.1	Introduction . . . . .	131
9.2	The Model . . . . .	132

9.3	The Impact of Emigration in the Presence of Product Diversity . . . . .	134
9.4	Concluding Remarks . . . . .	136
	References . . . . .	137
10	International Migration, the Brain Drain and Economic Development	139
10.1	Introduction . . . . .	139
10.2	Trends in International Migration Flows . . . . .	140
10.3	The Determinants of International Migration Flows . . . . .	143
10.4	International Migration and Economic Development . . . . .	150
10.5	Implications for Future Research . . . . .	157
	References . . . . .	158
	<b>Part 3: How Do Migrants Fare?</b>	<b>163</b>
11	English Language Proficiency and the Economic Progress of Immigrants	165
11.1	Introduction . . . . .	165
11.2	The Empirical Model . . . . .	167
11.3	English Reading Proficiency and Wages: Results . . . . .	169
11.4	Conclusions . . . . .	172
	References . . . . .	172
12	How Do Migrants from Latin America and the Caribbean Fare in the U.S. Labor Market?	175
12.1	Introduction . . . . .	175
12.2	Trends in Latin American and Caribbean Migration to the United States . . . . .	177
12.3	Explaining the Labor Market Outcomes of Latin American and Caribbean Migrants . . . . .	189

12.4	The Earnings of Immigrants: An Empirical Analysis . . . . .	194
12.5	Accounting for the Decline in Relative Wages of LAC Migrants . . . . .	207
12.6	Conclusions . . . . .	209
	References . . . . .	212
<b>Part 4:</b>	<b>Undocumented Workers and Immigration Policy</b>	<b>217</b>
13	Undocumented Workers in the Labor Market: An Analysis of the Earnings of Legal and Illegal Mexican Immigrants in the U.S. . . . . .	219
13.1	Introduction . . . . .	219
13.2	The Empirical Model . . . . .	224
13.3	The Earnings of Legal and Illegal Immigrants: Results . . . . .	231
13.4	Accounting for Legal–Illegal Wage Differences . . . . .	239
13.5	A Longitudinal Analysis of the Earnings of the Undocumented . . . . .	242
13.6	Conclusions . . . . .	248
13.7	Appendix . . . . .	251
	References . . . . .	253
